

# Harvest Festival Workshops 17 March

Sustainable Glenorchy is holding a harvest festival on Sunday 17 March, 11am - 3pm at the Village Green (weather permitting) or in the Hall. As well as music, games, excess harvest food and reusable items to share, there will be workshops for and by locals interested in any sustainable practice.

Workshop suggestions so far include:

- Discussing the options for sustainable wastewater management for Glenorchy residents. Speak to our own resident authority on wastewater.
- How to make sourdough loaves
  - How to make sauerkraut
  - Understanding herbalism
    - Organic gardening

We would love to hear from you if you would like to present a workshop or if there are topics you'd like to learn about. There's a wealth of talent in our community and this can be a great opportunity to share it in a relaxed and fun setting.
