Term 2 Issue 1

2 May 2023

Welcome to Cooper who has joined us at the beginning of term 2 in the Junior Classroom.

We would like to thank River and Tom for representing Glenorchy School so well at the ANZAC Day service last week. They spoke well and we were really proud of them. We had a lot of positive comments about the children's art work displayed in the hall too.

It was great to have Ella Brown from Sport

Central at school yesterday to take our Senior Room through the Physical Activity Leaders (PAL's) training. Our Year 7 and Year 8 students will put their new skills into action throughout the term by leading lunchtime games and activities.

Last year we put together a proposal for a 'Creatives in

Schools' project. We were fortunate to be one of the schools selected to receive funding to carry out our project "Nga Tau o Glenorchy". The children are in the process of completing four artworks based on each season of the year which we aim to have completed by Matariki. Thank you to Jessie Cornell for pursuing this opportunity for our children. Jessie is working on the project in the school on Wednesdays.

Sienna and Hunter competed in the Central Otago Athletic Sports on Friday 31 March. Sienna second in the 800m Year 7 Girls.

The Year 7 and Year 8 students will be attending the Young Leaders Day Conference in Dunedin on Tuesday 30 May. Kelly and I will be taking the students to this event, leaving Glenorchy School on Monday 29 May. More information will be sent out to parents next week.

John Dick from The Headwaters has reached out to Glenorchy School regarding them hosting a film crew from Channel 7, Sunrise Breakfast Show on 18/19th May 2023. In association with Tourism New Zealand and Destination Queenstown, the crew and presenters are doing 6-7 live crosses on their show and all of the events that they have planned showcase Glenorchy as a community and a place to visit.

/2

They have asked especially, if Glenorchy School and the children attending the school, would like to take part in one or two of the live crossovers on the morning of the 19th May 2023. We will provide more information about this as it comes to hand.

Juniors Ice Skating starts every Friday from 26 May to 30 June. More information/permission slips and transport forms will be sent out next week.

Please note that the Small Schools Swimming Sports is on Thursday 8 June. Later in the term you will be sent a google form to enter your own children into at least two events.

Student of the Week

	Junior Room	Senior Room
Week 8	Nikita - Awesome progress with his letter formation and writing.	Hunter - His achievement at athletics sports.
Week 9	Elijah - Making huge progress with and being resilient in remembering his high frequency words.	Izzy - All the effort she has put into her camp writing and the high level of presentation she has put into her advertisement.

Paula, Kelly, Roshell and Gorette

YOUTHTOWN
SINCE 1932

30 DAYS TO GO...

Lights on 1st of June

Hopefully you've already got your ticket and you're just trying to figure out which socks to wear.

If not go to LUMA.nz and pick your night. Some are selling faster than others - don't miss out.

NEWS

Leave the car. Orbus are running their FREE Park and Ride service in association with Queenstown Central Shopping Centre and AJ Hackett Bungy. Buses will be running a loop from 5pm to 10pm each night of LUMA.

Leave the dishes. Dishrupt are on site again for 2023 keeping the single-use cups out of your life. We'll do the dishes, all you need to do is enjoy the show. If you bring a keep cup we'll show you where you can give it a rinse and you'll also be able to buy a swish LUMA cup if you like.

Leave the pooches. LUMA's not always fun for your four-legged friends. Tuck them in beside the fire at home and they won't get stepped on, lost or bewildered. We can't make any promises about you though.
