School News

Late last week we had a visitor to the school who asked the Senior Room children what they were most proud of at Glenorchy School. He gave them ten seconds to talk to a buddy about it, then gave them the opportunity to tell him what they had said. The first child told him it was the kind people here that she was most proud of. The second said he was most proud of the fact we were an Enviro School and the third child told him it was the school garden that they helped to maintain that she was most proud of. Each of these students was able to go on and expand on their answer and others joined in to give our visitor more information. We, as a staff, were really proud of our Senior Room students as all of these responses are in line with our school vision and strategic aims.

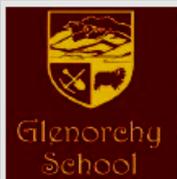

We were really thrilled with the swimming progress made during the daily swimming lessons with Lynette during the first three weeks of term. From this week, students will have lessons as follows:
Seniors on Monday, Wednesday and Friday.
Juniors on Monday and Thursday.
However, we encourage the children to still bring their togs every day as we may still go at other times if we can.

The next event on the school calendar is the Small Schools Athletic Sports on Tuesday 2 March. (St. Joseph's, Kingsview and Glenorchy). This is for our Year 5 to Year 8 students. We will need to leave school at 8:45am to arrive at the Queenstown Events Centre on time for a 10:00am start. Please let Miss Kellett know via email if you are able to attend this and provide transport.

Student of the week:

	Junior Room	Senior Room
Week 2	Max - showing resilience with his learning - working hard to complete the Blue Reading Box activities.	Ally - helping others by supporting them with their learning.
Week 3	MacKenzie - Displaying the value of Honesty in the playground.	Sienna - For showing responsibility and kindness in the playground by reaching out to look after and support her peers.
