School News

Our Year 5 to Year 8 students had a fabulous time at Ski Camp in Week 1. It was impressive to see their skiing skills develop over the three days. We again received compliments about their great attitudes and behaviour from the Southland Ski Hut Lodge Custodians Lynelle and Denis Woods. Thank you to Ann-Margaret, Dawn, Adam and Pete for being our Parent Helps. Thank you also to everyone who came and joined us at various times of the week to ski with the children. We would like to say thank you to the PTFA for their on going support with funding the Camp food and to Gorette for preparing the meals.

Thank you for attending the goal setting interviews with your children last week. It is really important that students know how to set learning goals, and have a clear understanding of what they need to do to achieve them with teacher and parent support.

Our Parent Consultation meeting is being held tonight at 7:00pm. Please attend if you possibly can as the information gained helps the Board of Trustees to shape the Glenorchy School vision for the next three years.

There is exactly one week to go before the School Production of 'Alice in Wonderland'. Students will need to be dropped off at the Hall at **4:45pm**. Please ensure they arrive wearing a black top and black trousers. Contact Kelly or Miss Kellett if you wish to check suitability of items. We ask that parents return to the Hall ready for a 5:30pm start. We will hold a shared supper in the small hall following the play, so please bring a plate to share.

The next event on the school calendar following 'Alice in Wonderland' is the Glenorchy School Cross Country. It is scheduled for Wednesday 25 August. We will be leaving School at 11:30pm to go out to Paradise. As in previous years, we will hold a sausage sizzle following the Cross Country and our Year 7 and 8's will organise some games to follow.

Hi Everyone

I have been made aware of a number of cases of Chickenpox in the Queenstown area.

There have been a number of presentations at Emergency Department at Lakes Hospital, which is putting significant pressure on staff. This facility should only be used in cases of emergency (parents should contact their Medical Centre in the first instance).

I would appreciate you providing this link to parents & staff to review

Thank you

Kind regards
