Term 4 Issue 1

19th October 2021

We would like to welcome Izzy and Hunter to Glenorchy School.

Izzy has joined the Senior Room and Hunter has joined the Junior Room. Also, welcome to Elijah who started in the Junior Room at the end of last term.

There is always a lot on the calendar in Term 4 and this year is no exception. We are keeping our fingers crossed that the term will run smoothly and we can get through to the end of the year with no covid disruptions.

The Great New Zealand Shake Out Day is being held on Thursday 28 October and Glenorchy School is participating in this. At 9:30am, we will practice what to do in the event of a major earthquake happening at school. At 1:30pm we will do our Evacuation Hikoi. This is walking to the Bible which is where we assemble if we need to evacuate to higher ground.

There are two events coming up that we would appreciate a good turnout of parents for. The first is the school Working Bee on Sunday 31 October beginning at 1:30pm. The second event we would appreciate parent support at is on Friday 5 November at 12:30pm. DOC are organising another tree planting afternoon on the Board Walk as we did last year.

Last term we purchased tickets for the school to attend the Wonderland Glow Show performance at the Memorial Hall in Queenstown. This has been postponed twice already due to covid restrictions but is currently scheduled for Thursday 25 November. If this goes ahead, we will require parent support to transport children into Queenstown. The plan is to leave school at 9:30am and return around 1:30pm. We will make arrangements closer to the time once we get confirmation it is still on.

Last term we had a number of our Senior Room students participate in the University of Canterbury Centre for Assessment and Monitoring Kiwi Competitions in English, Science and Maths. These students need to be congratulated for their willingness to be involved and have a go at testing their knowledge and skill in these curriculum areas.

Science	Tom, Baxter, Ally, Jaz Nate
Maths	Tom, Baxter, Sienna, Jaz, Nate, CJ
English	Sienna, Isabella, Ally, Jaz, Nate

Congratulations to Sienna, Isabella and Nate who all received a Merit Award in the English Competitions.

Today your children are bringing home a parent questionnaire on our Health Education programmes. Please take the time to fill this in and return it to school by Tuesday 26 October. We ask for feedback from our parent community every couple of years to ensure that our health programmes match up with the community beliefs in line with the New Zealand Curriculum.

As we begin to prepare for the end of the year prizegiving, please return any trophies to Gorette as soon as possible. Thank you.
