Term 4 Issue 1

18 October 2022

It was great to see everyone so enthusiastic to be back at school yesterday after the school holidays. It is going to be a short and busy term in the lead up to Christmas. Thank you to Zenzi and Ari for feeding the chickens over the holidays. We appreciated it a lot.

Please return the Portfolio books that were sent home at the end of last term to the classroom teachers as soon as possible.

We are sending home Calendar Art order forms today. If you would like to order anything from it, please have the order forms back at school by Tuesday 25 October so that we can get these sent away promptly.

On Thursday 27 October it is the New Zealand Shake Out Day. We will be having an earthquake drill and going for a hikoi to the Bible at 1:30pm. This is where we evacuate to in the event of a long, strong earthquake.

On Wednesday 26 October several of our Year 5 - Year 8 children are entering the Small Schools Triathlon at the Event Centre in Frankton. Thank you to those parents who have already responded to the e-mail sent out yesterday regarding transport. As soon as we have a reply from everyone, we will continue with finalising the transport arrangements.

On Monday 7 November, our Year 4 - Year 8 students will be attending the Science Roadshow in Queenstown. This is another event where we will require parent help to transport and attend with us. An email will be sent out next week detailing the arrangements.
