Term 1 Issue 3

28 February 2022

Over the last week we have hosted students from Shotover School who have been in Glenorchy for their School Camp. One group of Senior Room children joined in on the Shotover trip to the Routeburn Nature Walk on Thursday 23 February and the second Senior Room group is joining the Pigeon Island trip today. Our students have really enjoyed connecting with the students from another school and have enthusiastically taken the opportunity to show the Shotover children around our place.

On Thursday afternoon, the classroom teachers will be attending a Teacher Union Meeting in Queenstown. Glenorchy School will remain open but normal classroom programmes will not go ahead. Students will be supervised by Mrs Miller and our Teacher Aide Catherine, and an alternative programme will be implemented. Please send your children to school with their swimming togs on this day.

For the rest of Term 1 swimming lessons will take place on Wednesdays. The students have all made some great progress with their daily lessons and we now aim to help maintain their skill level by continuing with a weekly lesson while the pool is open.

The next sporting event on the school calendar is Athletics. On Thursday 9 March, the Year 4 - Year 8 students will travel to Kawarau School (at Hanley's Farm) to participate in the Small School Athletics Day. We will be sending out an email later this week requesting help with transporting students. We will need to leave school at 8:30am.

We are holding our Goal Setting Interviews on Monday 6 March. There is a booking-in sheet in the school foyer. Alternatively email or text Gorette with an approximate time you would like and she will book a time in for you. These interviews are a good opportunity for the students to show their parents what they are working on in class and for parents to see how they can support their child with their learning.

Student of the Week

| | Junior Room | Senior Room |
|--------|---|--|
| Week 3 | Monty - For working really hard on his spelling and writing. | Bella - For the considerable effort she has been putting into her writing and class work so far. |
| Week 4 | Henry - For showing kindness to his younger classmates by always volunteering to help when needed. | Pippa - For her consistent, concentrated effort into keeping the presentation of her work books to a high standard. |
