## School News

Glenorchy School will be closed for the Easter Break (Friday 30 March, Monday 2 April and Tuesday 3 April) which is why you are receiving this newsletter a little earlier than usual.

A very big congratulations to Mae, Harvey and Ruby who won the Year 8 Mixed Team Race at the Wakatipu Zone Triathlon held in Queenstown on Tuesday. They will now compete at the Central Otago Triathlon on Wednesday 4th in Cromwell. We wish them all the best for this event.

Last Friday afternoon the Junior class and the Year 5 and Year 6 students spent the afternoon tidying up the school gardens. We would like to thank Amber for coming in and helping us with that.

Yesterday we went over to the camping ground to see the solar panels that Camp Glenorchy use to generate their electricity. A big thank you to John Pope for giving up his time to explain to us how they work and what the future of electricity generation could look like. We were really impressed with the inquiring questions the children were asking.

On Friday 6 April, the Year 7 and Year 8 students are spending the morning in Queenstown being trained as Physical Activity Leaders (PALs). This is a worthwhile leadership opportunity for them. Andrew has sent home a separate information sheet that needs to be returned to school by Wednesday 4 April.

Have a great Easter holiday with your children and we look forward to seeing them back at school on Wednesday 4 April.

#### TRIATHLON

##### (Harvey Davies)

As the 1.5km race started it was pouring down with rain. I took the lead within seconds and was running at a good pace. Surprisingly the ground wasn't that slippery when I was running. I ran around the fields and down and up a tiny hill. I was still in the lead. As I was near the finishing line I could see Ruby waiting to get tagged, I won the running race, but could Ruby keep the lead?

##### (Ruby Davies)

Once Harvey tagged my hand I ran along the rows of bikes trying to find mine. I put my wet helmet on and grabbed my bike and ran with it to the start line. I leaped on the seat and started the 3k race. I was in fourth place at the start. The ground was wet and slippery, but I found it easy to ride. I was making my way up to second place on the second lap. When I came round the last curve I pushed a little harder to make it to first. I was well in the lead now. Once I crossed the finish line I ran towards Mae who had her hand stretched out ready to go! I hoped Mae could keep the lead.

##### (Mae Higgins)

I ran across the slippery grass to the lap pools. Once I got inside I started walking to lane 6. As soon as I got there I dived into the warm pool. I quickly started to do freestyle. I swam the 3 lengths at a steady pace. The next 3 lengths I swam as fast as I could, blazing a trail through the water. I climbed out of the pool, walked out the doors and then I sprinted for my life to the finish line. We had done it! **First!!!!**
