School News

It has been a busy couple of weeks at Glenorchy School.

On Tuesday 9 March our Year 4 - Year 8 students went down to Queenstown to participate in the Small Schools Athletic Sports Day with St Joseph's and Kingsview Schools. It was a great day out, enjoyed by all. We had several of our students qualify for the Wakatipu Zone Athletic Sports which are being held in Queenstown tomorrow. Congratulations and good luck to the following students in their events:

CJ - Year 8 shot put, high jump, long jump, hurdles, sprints, 800m

Jaz - Year 8 sprints, high jump

Finlay - Year 7 high jump, long jump, hurdles

Dylan G - Year 7 discus, shot put

Ally - Year 7 sprints

Connie - Year 5 discus, shot put

Sienna - Year 5 discus, high jump, hurdles, sprints, 800m

Isabella - Year 5 high jump, discus, shot put long jump, sprints

On Tuesday 16 March our Year 6 students attended the Clued Up Kids event at Lake Hayes Showgrounds. The purpose of the day was to reinforce safety messages and what to do in emergencies. We were really proud of the way these students represented our school. They were attentive to the speakers throughout the day and came home with lots of valuable information to pass on to their family and peers.

This week, we are hosting a number of visitors to our school. Today John Parsons is at school taking Cyber Safety sessions with our students, staff and parents. John is an expert in the field of cyber safety. He is a published author of the book "Keeping Your Children Safe Online" and "Romeo the Elephant". We are fortunate to have been able to get him to come to Glenorchy to work with us.

Constable Wayne Park will be visiting on Tuesday 30 March as a follow up to our Cyber Safety sessions today. His focus is on being a responsible citizen.

We are looking forward to hosting Kavanagh College students on Thursday 25 March. They are on their Leadership Camp at Greenstone this week and are coming to school to lead Maori Culture and Kapa haka activities with our children.

Following this, we also have the Year 6 - Year 8 students from Garston School calling in on Friday 26 March. They will spend some time with our Senior Room.

As we had to postpone the Year 4 - Year 8 visit to AROHA last week due to weather, we will now go there on Monday 29 March. Please get in touch with Miss Kellett if you are able to take transport. We will leave school at 10:45am and return to school at 12:30pm.

Student of the Week

Week 6	Hunter - For showing kindness to a younger classmate when he assisted her to tie her shoes.	TeAaliyah - For her resilience and fantastic attitude at athletics
Week 7	Ollie - For always doing the right thing at the right time.	Isabella - her consistent positive attitude towards her work.

Paula, Nicole, Roshell and Gorette

Youth Workers In Schools:

As we welcome Term 1 our Youth Support Workers are back in schools enjoying games with youth across the Wakatipu. Look out for us in your school!

Reverb

We will be kicking off our event "Reverb" at the end of April! This is a live music event where Youth Bands will play a solid set of their original tunes on our brand new stage at the Loft. This will be an ongoing event, running on the last Friday of each month, from 7 pm to 8 pm and entry will be just \$5.

Stay tuned for the lineup and further details. If you know a young and upcoming band keen to play - get in touch with Rhys (rhys@wakatipuyouthtrust.co.nz).

Massive thanks to **Mitre10, Spotlight, and Rockformation** for the support in getting the stage and gear sorted for this to all kick-off!

Spectrum

Our Spectrum Club have been busy making pronoun bracelets, collaborating with Kahu Youth's SAGA Group and learning from each other at our awareness evening.

We attended the Creating Rainbow Inclusive Schools Workshop run by the fabulous InsideOUT. This was very informative and allowed us to connect with other local agencies.

Our Spectrum Group is a local support group for LGBTQIA+ young people, providing a safe space to come and hang out, be yourself and explore your identity. This fun and social group is confidential and is a great way to meet like minded individuals. This group aims to give young people a sense of belonging and have their own voice heard.

All Wakatipu High School students are welcome. If you would like any further information please contact:

mairead@wakatipuyouthtrust.co.nz

We are currently designing an ongoing programme aimed at high school aged boys. This group will focus on building skills and increasing self confidence through a range of outdoor and indoor activities. There are limited spaces for this programme but if this is something you think your youth could benefit from please get in touch with either Noah or Rhys.
