Week 8 of the Term already! Boy time does fly when you are having fun. The plaster mask flowers are now complete and are looking very unique and vibrant. Thank you to all those people who have lent a helping hand to complete these. They will be displayed at the Glenorchy Flower Show for everyone to view.

The Senior Room will be discussing Pubertal Change next week. This is a very important topic that is a requirement from the Ministry. If you have any queries regarding this please contact the school.

The past few weeks have been a bit mucky due to Helen being away visiting her Mum who is unwell at the moment. In light of this we have decided as a staff to postpone the Showcase of Learning evening until next term when Helen is back. This will run alongside our big Kiwi Morning Tea.

Cross Country is fast approaching for the last day of the term. The kids have been practising every day which they will be thankful for when running the full track. We will leave school at 11am and take our lunch over with us to enjoy a picnic lunch after the kids have run.

Parents please note that if you need to drop students off at school before 8.30am please contact the school or Allie prior to this so we are well aware.

Thank you to everyone who has been supporting the new school lunches. They are proving to be a huge hit with the kids and are absolutely delicious
