The Year 5 and Year 6 students from Shotover School are currently in Glenorchy on School Camp. Today and Thursday, the Senior Room students are joining in with some of their camp activities. It is a great opportunity for our children to connect with students from another local school. Thank you to the children who are staying after school to join in the later activities.

We have 6 Senior Room students going to the Central Otago Orienteering Championships being held on Thursday morning. Good luck to Nate, Dylan G, Ally, Baxter, Pippa and Sienna. Thank you to Ann Margaret who is going to accompany the group with Miss Kellett.

Wheels Wednesday is on for the next two Wednesdays. Children can bring along their bikes, scooters etc to play on at lunchtime. They will need to bring their helmets to school to be able to participate.

We had a wonderful trip to the Glenorchy Animal Farm and to Paradise on Friday. Thank you to the parents who came along to support us with this. It was a great way to spend the day and to get around the extended power cut we had that day. Please note that it is free of charge for our local children to go to the Animal Farm.

Blanket Bay	Nate Grant
<p>Nate is awarded the Blanket Bay award. He not only achieves highly over a range of subjects, but has a positive attitude while doing so. He participated in both the spelling bee and kids literacy quiz this year. Nate is always willing to take on board feedback and apply it to his work. He demonstrates all of Glenorchy Schools values on a daily basis and represents the school with pride while on school trips. Nate participates in school community services like speaking at the ANZAC Service and takes an active role in looking after the garden, for example planting the tussocks outside the tech room. He is a role model while playing sport by playing fairly and supporting his team members. He has emerged into a real leader over his time at Glenorchy School and is a deserving recipient of this award.</p>

He volunteered to organise Wheels Wednesday and gave up the majority of his lunch time to set up games and activities for his peers and younger students.</p>	
Senior Dent Cup	Finlay Anderson
<p>It is rare to see Finlay without a big smile on his face. He is the recipient of the Senior Dent Cup for not only the effort he has put into his school work over the year but for the way he has consistently done so with a positive attitude. Finlay is an outstanding student who is committed to give everything a go. He steps out of his comfort zone every day and pushes himself to try new things. Dylan takes challenges in her stride and often has creative ways to solve any problems or challenges she faces. Her confidence has grown over the year and she</p>	

EnviroSchool Award	Pippa Craigie
<p>One word that comes to mind when we think of Pippa is responsible. She is always ready and willing to take on any jobs and always completes tasks to a high standard. One of many is Pippa's dedication to the school garden. She has really taken on a leadership role in the garden and consistently chooses to look after the garden for the week when picking her weekly job. She always remembers without needing to be prompted to do the watering. Pippa will solve problems logically when she comes across them, for example while watering the garden she noticed that the sprinkler was not covering the whole garden so she independently decided to water each half separately. This shows initiative and that she really cares about the upkeep of the garden.</p>	
Glenda McGregor Prize	Charlie Butler
<p>Charlie is receiving this award because he is consistently displaying our school values. We believe that it is our school values that build a model school citizen. Many times Charlie has been noticed doing kind things for fellow students whether it is encouraging someone in the classroom or letting extra people join in his games at lunchtime. He is also honest and respectful, I can always count on Charlie to tell me the truth, I nearly never have to remind him to do the right thing and he is always respectful in his conversations and interactions with others.</p>	
Jean Scott Prize (Book)	Jazmine Baker
<p>Jazmine is a quiet achiever and leader. She is someone who will consistently be doing the right thing without ever needing to be asked or praised for doing so. She has a quiet confidence that her peers and students younger look up to. She is admired by her peers and is a fantastic role model through her actions and interactions with others. She is persistent and resilient throughout the school day when she is faced with challenges and can come up with ways to overcome them independently. Jazmine is a kind friend to all and should be proud of the confident leader that she is.</p>	
Junior Arts and Culture Keogh Spackman Cup	MacKenzie Jones
<p>MacKenzie is awarded this prize because she always gives 100% to all cultural and arts experiences. She sings the loudest and with the most passion during singing and Kapa Haka, she makes an effort to know and learn the actions during Kapa Haka and she always takes extra effort in all art projects to ensure she is working to the best of her ability.</p>

He is someone who is very particular about his art and consistently sets a high standard to compete his work to be the best that it can be.</p>	

Tracks to Success	Ally Aitken
<p>Ally has been very dedicated and organised with her Tracks to Success over the year, making sure she has even spread them out across the term. She has educated the class about famous racehorses, taught Connie to ride spirit, created her own horse model, made six different dishes from six continents, showed us how she cared for her horse Dusty over 5 months and showed the class how to make an ice cream cake. It was fantastic to see a lot of Ally's interest present in her Tracks to Success projects and she should be proud of the work she has completed.</p>	
Tom and Georgia Poplawski Cup	Aidan Cripps
<p>Aidan is someone who always gives everything a go. You can count on him to give 110% to any game that he plays. Aidan is always keen to get involved and has a good attitude when playing many different types of games. His sportsmanship is recognised as he is kind to his team mates and those he is playing against. Aidan's good sense of humour lifts his team mates spirits and helps create a fun atmosphere for a game.</p>
