to  
30 September

**Term 4**

17 October  
to  
16 December

**BOT  
Meeting Dates**

29 March

**School News**  
**Term 1 Issue 3**  
**8th March, 2022**

**Today, John Parsons joined us at school via Zoom to talk to the students, staff and parents about Cyber Safety.** I am sure those of you who were able to join in one of the sessions will have got a lot out of it. John will be sending us out some videos and more information regarding Cyber Safety. We will forward them onto parents as soon we receive them.

**We have decided to hold our Goal setting Interviews over two sessions this term to reduce the number of people we have on-site in any one day.** Therefore, you may opt to come in on either Tuesday 15 March (15 minute intervals from 3:30pm to 5:30pm **then** from 6:00pm to 7:00pm) **or** Tuesday 22 March (15 minute intervals from 3:30pm - 5:15pm).

Please email or text Gorette with your preferred date and an approximate time and she will book you in. We are hoping that we are able to meet with every family over the two days.

**It has been great to see the Senior Room students putting their Physical Activity Leader (PAL) training they received a few weeks ago into practice by organising Friday lunchtime games for everyone.** The first week Sienna and River led the activities and last week Ally and Isabella ran them. All Senior Room students will get the opportunity to have a go at doing so.

**Student of the Week**

	Junior Room	Senior Room
Week 4	<b>Tillie</b> - For being a great leader for her group during math's time.	<b>River</b> - For always being engaged and participating in class discussions.
Week 5	<b>Hunter R and Max</b> - For showing kindness in the playground towards younger students	<b>Izzy</b> - For the detail and care she has put into her self portrait - especially her eye!

**Paula, Nicole, Roshell & Gorette**

## **Glenorchy School's Red Traffic Light setting protocols**

No non-essential visitors on-site. Any visitor, including parents and caregivers, that do access the school buildings must wear a mask, scan in and sign the visitor register. Please observe physical distancing requirements.

All visitors, including parents and caregivers, that do come on-site must wear a mask when on school grounds. Please observe physical distancing requirements.

Staff and Students in the Senior Room need to wear a mask inside the school buildings.

Staff and students will continue to use and encourage good hygiene practices including:

- regular hand washing/sanitising
- cough and sneeze etiquette
- regular cleaning of high touch surfaces
- open doors and windows.

At the end of the day, students must exit the school at their designated point (main entrance, swimming pool, garden).

It is now a legal requirement that all students aged eight years and over must wear a mask on the school bus.

If there is a positive case of COVID-19 identified at an early learning service, school or kura, the early learning service or school will work with the Ministry of Education and public health authorities to seek advice. We will be making every effort to keep the school open for onsite learning, but if students need to isolate or staffing the school becomes an issue at any time, we may have to ask that some or all students learn from home for a few days until the issues are resolved.

### **Stay home if sick and get tested**

Ensure tamariki, students or staff members with [COVID-19 symptoms](#) get a COVID-19 test and remain at home until a negative result is received and they are symptom free for 24 hours.

**It has been great to see the Senior Room students putting their Physical Activity Leader (PAL) training they received a few weeks ago into practice by organising Friday lunchtime games for everyone.**

REGISTRATION OPENS 20 FEBRUARY 2022.
